Several Years Later. In The City Of Dekham

Listen to this M, I intercepted a signal from the police station.

How close are DCPD to the area of the crime? This sounds like something they should do.

Why do in twenty minutes, what you could do in two. Besides M, there is a little girl involved

That's all I needed to hear Technis. I'm on my way

MOMMY!

i won't let you take her from me

Leave My Mom Alone!

I'll like to see you try stop us

Gotcha

What the Hell!?!

Gasp

Holy \$#!%

What the hell going on

Get back here I'm not done

I'm Coming Katrina

Grab her, we need a hostage

Argh! Show yourself, so
I can KILL YOU!!

Enough of
your rambling.
I'm right here
plain as day

I...I can't

And That means
it's time to Go

Alright so the bad guys are officially captured, and are on their way to Dekhom Prison

Not to mention that little girl and her mother will live to see tomorrow. Always a good sign!

So I guess today wasn't such a let down after all. But it's still early in the night, odds are something will go down

And when it does...

You can sure as hell bet I'll be There!

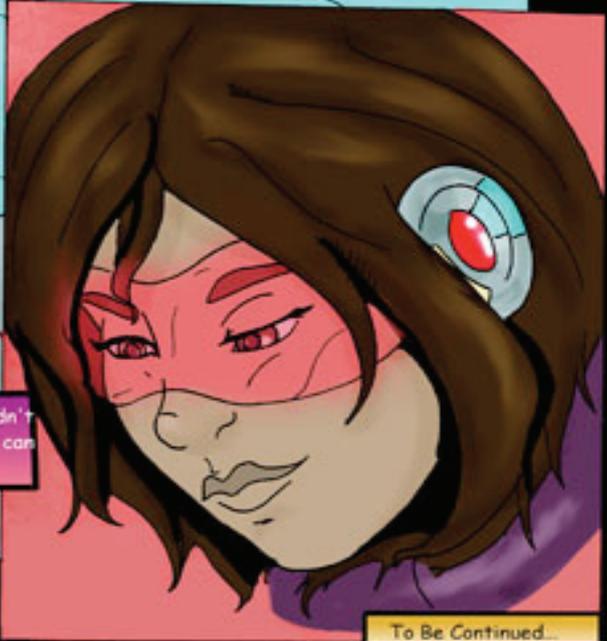

But for right now, I'm going to have to rest, for straining my powers a little back there

You know it's really cool having powers to manipulate life-force, but it surely sucks when you over do it

But to me, it's a gift I wouldn't trade for anything. So what can you do?
